As Mary Kay Ash said **then**, "Behind every achievement, large or small, lies a plan. If you really want to get things done, the sooner you learn how to plan, the better." **Now** is the time to put your plan to work during our 60th Anniversary year. Set your goal to do 60 faces in 60 days, and shine like the superstar you are meant to be. As **always**, you'll make a change not only in someone else's life, but your own too! Use this handy chart to track your progress, and be sure to give yourself a pat on the back each time you add a new name! You've earned it!
