

## Nourish & Soothe Skin

- Mary Kay Clinical Solutions™ Calm + Restore Facial Milk features plant oils (coconut, jojoba seed, sunflower and olive) to deliver a power-shot of rich, fatty acids to nourish and soothe skin.
- This lightweight formula also contains glycerin and squalane, known to help prevent water loss, an essential benefit during periods of increased dryness.

**POWER STATEMENT:  
Nourish & Soothe Skin.****Calm + Restore Facial Milk**

In clinical testing, the facial milk was shown to:

- Calm irritated skin.<sup>1</sup>
- Deliver instant hydration.<sup>1</sup>

**Directions**

Shake well. Apply to face morning and evening before your moisturizer. Apply throughout the day, as needed to nourish and soothe. Ideal for retinol-treated skin.<sup>2</sup>

**You'll Want to Try This If:**

- You're retinizing your skin with Clinical Solutions™ Retinol 0.5 and experiencing temporary irritation, redness or increased dryness.
- You're experiencing mild skin irritation that would benefit from a soothing facial milk proven to calm skin.

**Formula Attributes**

- Fragrance-free
- Dermatologist-tested
- Tested for skin irritancy and allergy

**Use Up Rate**

If using twice daily, average use-up rate for Calm + Restore Facial Milk is 4-5 months.

<sup>1</sup>Results based on two independent clinical studies in which women used the Calm + Restore Facial Milk

<sup>2</sup>If you're new to high-concentration retinol, it's recommended you purchase the Clinical Solutions™ Retinol 0.5 Set which includes Clinical Solutions™ Calm + Restore Facial Milk. The product insert contains complete instructions for retinizing your skin. Visit [marykay.ca](http://marykay.ca) for more details.
