

How to set up a Facebook business page

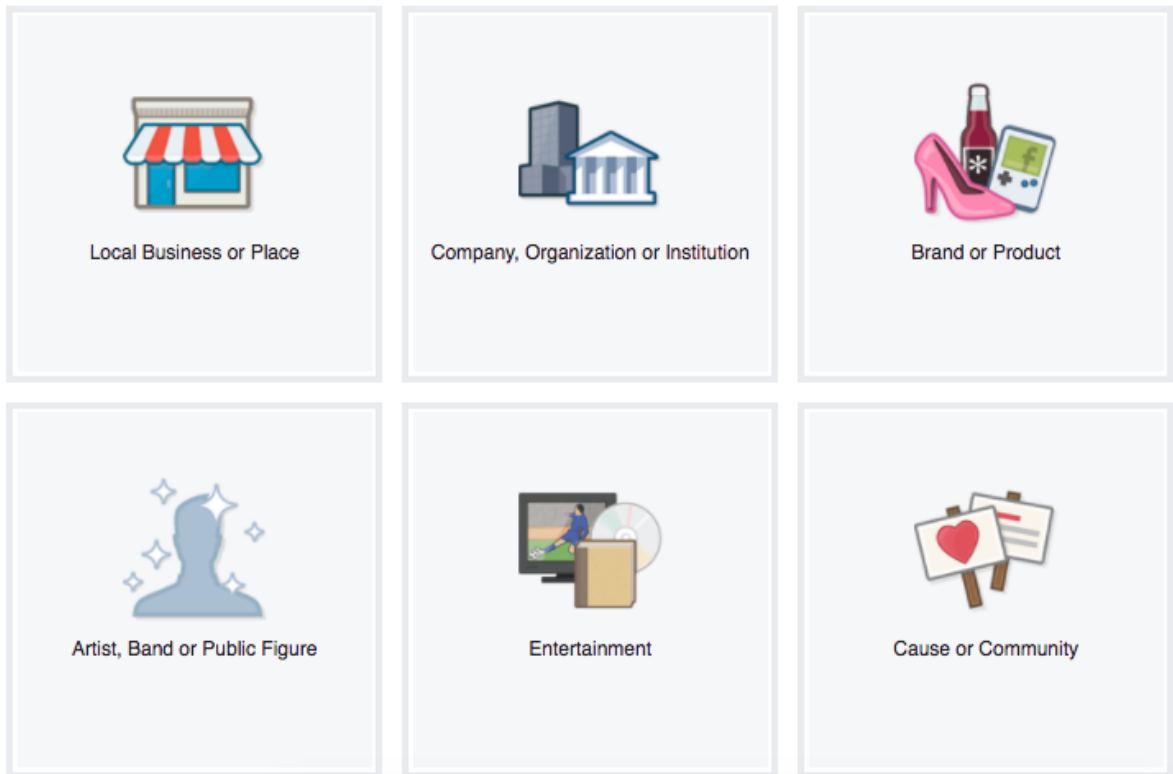

1) Always use this link to go to www.facebook.com/pages/create

Facebook updates their process frequently so their latest instructions will be available through this link.

2) Select 'Company, Organization or Institution'

Create a Page

Give your brand, business or cause a voice on Facebook and connect with the people who matter to you.
It's free to set up. Just choose a Page type to get started.

Note!

- You need a Facebook Page to promote your Mary Kay business to customers because it's against Facebook Terms of Policy to use a personal account for a business.
- To create a Facebook Page, you need to have a personal Facebook profile.
- To start a Facebook profile, you need an email address.

3) Page Category: select Health/ Beauty from the drop down.

Get Started

- 4) Company or Page name: put your First Name Last name, Mary Kay Independent Beauty Consultant. (It is recommended to enter “Mary Kay Independent Beauty Consultant” because that is the way your customers know you. Additionally this avoids entering changes to your Business Page name as you go up the career path, which would require you to [have admin role.](#))
- 5) Review Facebook Pages Terms
- 6) Click Get started
- 7) Add a profile picture.

Tip: *Get a great selfie by facing a window to capture your profile photo in bright, natural light.*

Add a Profile Picture
