with paper to raise
the products

Suggested Script:

"Hi _____! It's _____ with Mary Kay, and I have a fun idea I would love to share with you. Could you give me a minute? Great! With Halloween just a few days away, I wanted to tell you about my **Pampering Pumpkin** gift idea. I have the most adorable pumpkins in various colors that I am filling with Mary Kay products. I am customizing these fun containers with anything and everything from body care to skin care, color cosmetics, cosmetic brush sets, and more. Something for everyone...teens, mothers, daughters, aunts, grandmothers, dads, husbands, significant others, anyone you want to surprise with a treat.

Prices begin as low as \$30 and go up from there depending on your budget. The colorful pumpkins are "dolled up" with ribbon and will definitely bring a smile to the little kid in everyone. Tell me, _____, who can you think of that would love to receive a **Pampering Pumpkin** gift from you? I'd love to customize at least one for you!"
