

How to Assemble Snowman Hand Creams

Use the Snowman Wrapper to cover a Hand Cream, Foot and Leg Treatment, 2-in-1 Body Wash, or Hydrating Lotion!!!

These are just so cute and simple... print out the Snowman Wrapper on regular white paper or card stock and tape to hand cream. Add a pair of cozy feeling black gloves or a Fuzzy pair of socks, from the Dollar store, Walmart or Target for his hat. For gloves, fold over the fingers and then tie a piece of wide ribbon around to hold. Print the Let it Snow Tags on card stock, cut, tape the let it snow tag to a toothpick and insert in the glove/socks ribbon! Add a small label of which hand cream at the bottom of the hand cream (FF, White Tea, etc).

You can put 3 together, Hydrating Lotion, Hand Cream, Energizing Foot and Leg for a Winter Special!
