

Mary Kay® Under Eye Corrector

Correct, conceal and perfect. It's your lasting coverage cover-up.

Mary Kay® Perfecting Concealer™ is designed to be worn alone or over your favorite Mary Kay® cream foundation, liquid foundation, or CC Cream Sunscreen SPF 15. [If you wear Mary Kay® Mineral Powder Foundation, apply the concealer first, before your foundation step.]

1. place 1-3 dots of concealer, depending on need, to hide blemishes and minor imperfections.
2. Gently tap with ring finger until product blends with the surrounding area. Allow to dry.
3. Blend edges, as needed, for smooth, seamless coverage.
