

In Mary Kay

We believe women don't need makeup or skin care to be beautiful. We believe women are beautiful and valuable with or without it. We use our products to enhance a woman's beauty and confidence she already has, to help her shine more.

We believe in community & connectedness & that women are better together. There is such a rise in loneliness, anxiety, & depression so we want to create a space where women can connect to celebrate each other & their unique beauty.

We're more than a product

-We're a Brand

We're a brand with a purpose.
Built by a woman for women.

Opportunity is what we create. Beauty is what we sell.
Hope is what we give back.

We believe in the empowerment of women.
Everything we do is with a desire to help them feel beautiful inside and out. And create personal relationships like no other brand.

We're a Company with Heart

Through our Mary Kay Charitable Foundation, we have donated \$78 million to help end domestic violence and eradicate cancers effecting women.

Our products are made in the USA, at our Zero-Landfill manufacturing plant. Through our Pink Doing Green Campaign, we have planted over 1 million trees world wide. When you do business with Mary Kay, not only are you supporting an Independent Beauty Consultant and her dreams, but you are also supporting a company that gives back and makes a difference.
